VICTORIAN

Neal May

Neal, (King XIX)
Of all sad words of tongue
or pen the saddest are these—
it could have been !!!
Well, it could have been better, or
worse if we made it both. Don't
forget our years together, freshman—
Senior & oh that Senior Year - Homecoming
Dauphin Island, Graduation & all—
Good luck at Southern & lots
always be the best of friends.

Queen XIX
Jessica

Neal:
I'm sorry I had to leave
O. L. V. and all the fun
that we shared. I will
never forget you, anyway,
how could I ? Stay as
sweet as you are, and keep
that great personality.
Lots of love,
Marie

THE VICTORIAN

OUR LADY OF VICTORIES HIGH SCHOOL
Pascagoula, Mississippi

Never again will we, the Seniors of '64, roam the halls of O.L.V. We are leaving our school. We shall never again sit on the lawn, and look upon the statue of Our Lady, as students. Our student life at O.L.V. has ended.

We may have regretted the fact that we took too little interest in our religion courses. We realize, too late, that we should have taken that extra year of language. We, finally, regret not taking those extra courses, which we had shrugged off saying, "Oh, I won't need them for college."

However, mingled with regret and sorrow there is a feeling of pride . . . in O.L.V. We shall never regret that we attended O.L.V. We are proud of O.L.V. and shall always attempt to lead a life according to the Christian principles of living - principles we learned at O.L.V.

My dear Graduates:

You now stand on the threshold of a new life. You have climbed the hill and ahead of you stretches a beckoning vista. Your only regret is that you must leave behind the school that nurtured and educated you, and bid it farewell. But we rejoice with you because you have won a merited promotion. Your parents and your teachers have contributed to your progress and they also are glad that your efforts have been successful.

As you leave Our Lady of Victories there is one thing I would like to impress on you. It is the need for charitable ideals - for honesty and integrity in everything. The world is in a turmoil and world tensions are great because the generations which preceded you were more interested in material success and power than in the preservation and perpetuation of sound moral principles. Our greatest hope for the future lies in the new generations which come along. Through them, we as a nation, can be returned completely to the principles of morality and integrity. You have the equipment, if you have the urge and the will to take part in a moral revolution, which will recognize without reservation, right from wrong and will place first things first. You've had the benefit of superb training in your formative years, in the tenets of honesty and uprightousness. In your young hearts and minds the seed has been planted. It will need cultivating - courageous cultivàting.

You, the Class of 1964, go from Our Lady of Victories High School with high ideals and lofty inspirations. Keep them so. Be ever grateful to your priests, parents, and those wonderful self-sacrificing Sisters. Remember always that you are graduates of Our Lady of Victories High School. This parish is staking its honor upon you. Guard and protect that honor. Then we shall be forever proud of you. "To thy self be true" and "Act thy part well". Then look bravely into the future and remember that our future, the future of our country, is in your hands.

JOHN FITZGERALD KENNEDY
President of the United States
January 20, 1961 - November 22, 1963

Dedication

We the students of

OUR LADY OF VICTORIES HIGH SCHOOL

respectfully and reverently

dedicate

THE VICTORIAN

to one who, though a victim of bloody tragedy,

was yet a brilliant victor,

for

our thirty-fifth President

JOHN FITZGERALD KENNEDY,

IN CHRIST

found

An Inspiration,

A Model,

A Hand to guide him . . .

WITH CHRIST

Walked a weary Presidential way,

unrewarding at times . . .

Sat at conference tables, speaking

of the Brotherhood,

Met his bleeding, tragic end

that we might be One . . .

THROUGH CHRIST

He was for the men of our times

A man of integrity,

of vitality,

of deep motivating Faith - -

A true Christ-Layman.

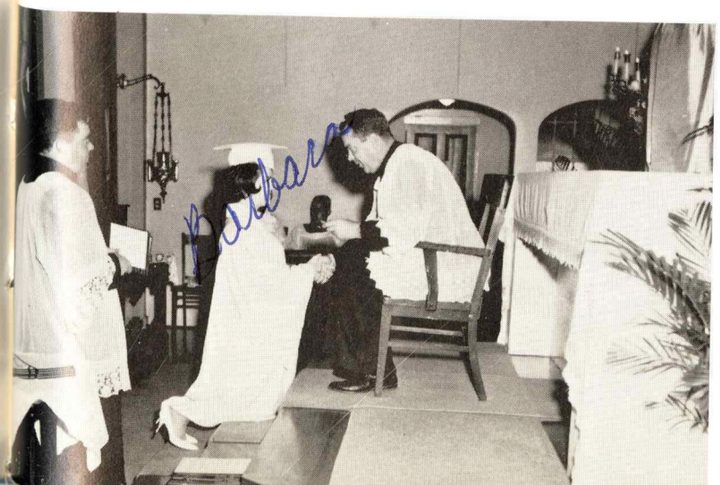
It's the Door of Opportunity
she knocks upon now.



Dear Fellow Students,

As editor of the 1964 Victorian, I have come very close to all of you. We have shared many happy times throughout this year, a few of which are captured in these pages.

This book represents many long hours of work put out by everyone at school, not only those who helped edit the book, but those who took part in the activities portrayed on these pages.

May this book bring to mind the pleasant memories created here at O.L.V. High School.

God bless you!

Neal,

Remember everything we have done together... the ad staff for the year. I wish you the best of luck at Southern. You deserve the best for you've put a lot of work into it. Don't be ashamed to ask for help. You're a great guy. Stay that way. I hope this will be many more years of our friendship.

Love Ya!
Cynthia

Neal,

It's real sweet and cute boy. Remember all the good times we had together & bad times. I am having a good class I'm missing with you. Mathis. & Ford but I am going to stay in there so with me luck. Ok.

I wish you luck in everything you do.

Love Ya!

Neal,
You are absolutely the nuttiest boy I have ever known. I shall always remember all the fun we've had, especially our Senior year.

Our float was the prettiest – even if your lawn furniture did hop off the truck – but, the tulips were lovely.

Mr. Ros sure did get mad at us sometimes, didn't he. Remember De Filipo – the sewer drain? Remember the red drake, the fun we had at homecoming? The speech club was a lot of fun.

I'll never forget all the fun we've all had together and, of course, how could I ever forget the human string that held our stupid class together.

I hope you succeed at college.

Best of luck always.
